Using this publication

Generative Engineering is a research and editorial publication, provided for information. Its dated arguments, examples and limitations should be read in context. It does not provide individual professional advice. Do not interfere with the service or attempt unauthorised access. Nothing here excludes liability or rights that cannot lawfully be excluded.

Reuse and attribution

The published Generative Engineering work by Christophe Pennetier and André-Benoît De Jaegere is licensed under CC BY 4.0: sharing, adaptation and commercial reuse are allowed with attribution, a licence link and an indication of changes. No additional restriction is imposed on that grant. Third-party material remains subject to its credited rights; trademarks are not licensed by this notice.

Privacy and external services

Reading these pages does not constitute consent to optional cookies. See Privacy for your choices. External sites and podcast applications operate under their own terms. Publisher and contact details are in the legal notice.

Published in the Aquia family.
